January 31, 2026, Financial Report

Attached you will find a Balance Sheet and a Budget vs Actual Report for each fund of the Township for January 2026.

Attached you will find a Balance Sheet and a Budget vs Actual Report for each fund of the Township for the month of January 2026. On average, 8% (1 month /12 months) of revenues collected and expenditures paid should be realized in 1 month.

Revenue collections are at 9.3% of the budget for the year for the General Fund. Revenue collections are traditionally low in January since the real estate tax bills are not yet or in the process of being mailed and many other revenue sources are received later in the year.

Real Estate Transfer Taxes are at 13.01% of the budget and more than the prior year by $4,547. The Earned Income Tax, one of the larger revenue sources for the Township, is at 15.13% of the budget, and less than prior year collections by $1,047. The interest income is at 272.38% of the budget and more than last year by $49.

Total revenue collections are more than 2025 by $17,287. This is largely due to the negative balance of the state pension aid returned.

Expenditures paid are at 8.9% of the budget. Expenditures in total are less than the prior year by $192,124. This was due to the payment of construction materials in 2025.

In January we allowed the CD with SSB to mature, and it was deposited into the General Fund Public Bank Account.
